Maggie's Mission was founded in honor of local Long Island teenager, Maggie Schmidt, (shown above), who passed away June 1, 2017 just after her 17th birthday from a rare and aggressive cancer called Malignant Rhabdoid Tumor. Before Maggie died, she asked her family to help other children and families dealing with this devastating disease. That wish became Maggie's Mission, the name and purpose of this foundation.

Maggie's Mission, Inc. is a qualified tax-exempt organization, as defined in Section 501(c)(3) of the Internal Revenue Code of 1986, our Federal Tax ID number is 82-2851432.
