

GLOW FOR GOLD!

GLOW FOR GOLD with LOVE + LIGHT on the beautiful Gold Coast of Long Island! Help us celebrate Maggie's love of life and children as we fundraise to find cures for pediatric cancers, and help families with children affected. The event will kickoff with Maggie's Bucket List Skydive Jump, with Mike Elliot, retired US Army Golden Knight. The Golden Knights are the United States Army's official aerial parachute demonstration team. Mike has taken the late George H. W. Bush on three tandem jumps.

Our sixth Annual Angelversary Gala will truly be a magical evening, filled with music, dancing, delicious food, top shelf open bar, exclusive silent auction items, and raffles. Held on Friday, June 2, 2023 from 6 - 10:00 pm at the beautiful and historic Vanderbilt Museum in Centerport, NY, the event has an exciting glow theme planned. The idea is borrowed from Maggie's Sweet 16 party which was, at her request, a "Glow" party. It was Maggie's last healthy and happy birthday. We're bringing our sixth Anniversary back to a time when life was beautiful, innocent, and carefree. Guests are encouraged to wear casual white attire and comfortable footwear.

Let's glow together to help researchers at MSK Kids from Memorial Sloan Kettering develop new treatments, and new hope for children with cancer. We have a special presenting sponsorship opportunity for 2023, sponsorship tables, and individual tickets. All sponsors will receive exclusive recognition opportunities and event benefits. Donations of goods and services are welcome. Monetary donations can also be made directly to Maggie's Mission.

Maggie's Mission is a qualified tax-exempt organization, as defined in Section 501 (c)(3) of the Internal Revenue Code of 1986, our Federal Tax ID number is 82-2851432. The organization was founded in honor of local Long Island teenager, Maggie Schmidt, who passed away June 1st, 2017, just after her 17th birthday from a rare and aggressive cancer called Malignant Rhabdoid Tumor. Before Maggie died, in true warrior spirit, she asked her family to help other children and families dealing with this devastating disease.

Maggie's Mission Angelversary Gala is held around the anniversary of Maggie's passing. To learn more about Maggie's journey and Maggie's Mission's impact on families and pediatric cancer research, we encourage you to visit our website by scanning the QR code below.
